Evaluate the role of the Battles of Plassey and Buxar in laying the foundation of British rule in India.

Battle of Plassey-. (First Term Model Qn Paper)

@The Nawab of Bengal, Siraj-ud-Daulah was defeated East India Company led by Robert Clive.

@ The conquest of Bengal helped the British to bring other parts of India under their control.

@ Land taxes in agriculturally rich Bengal helped the British build up their military power and raise money to conquer the rest of the country.

@ The British established political dominance in India with the Battle of Plassey in 1757

Battle of Buxar 1764- (First Term Model Qn Paper)

@ Company acquired the right to collect taxes in the provinces of Bihar, Bengal and Orissa. @ East India Company's administrative presence in India became stronger.

@ The British defeated the combined forces of the Mughal ruler Shah Alam II, the Nawab of Oudh, Shuja-ud-Daulah and the Nawab of Bengal, Mir Qasim in this battle.

THE IMPACT OF BRITISH TAX POLICIES ON INDIAN FARMERS

(First Term Exam)

- Farmers found it difficult to pay the high taxes even.

- If crops were damaged due to flood or drought, there was no tax relief.

- Farmers had to rely on moneylenders to avoid losing their farmland.

- Debt-ridden farmers lost their land.

Vim@l

Downloaded From: https://textbooksall.blogspot.com/

Circumstances that led to The Neelam Peasant Revolt (1859) in Bengal (First Term Exam)

1. British planters (indigo planters) forced the farmers to cultivate the indigo plant (Amari plant) for the factories established in the villages.

2. Indigo produced from the Amari plant could be sold only to the British.

3. The British paid less than the market price for the indigo to the farmers.

4. It led to severe food shortage, exploitation and economic economic hardship. With the discovery of artificial dyes, the for indigo decreased and and poverty increased.

5. The peasants turned to the path of agitation against the British.

6. Digambar Biswas and Vishnu Biswas.

7. Farmers abandoned their indigo cultivation.

8. Indigo factories were then attacked.

Write a short note on Santhal Rebellion 1855 **(First Term Model Qn Paper)**

* Santhals are a tribal people who migrated to the Rajmahal hills in Bengal province in the eighteenth century.
* Landlords unjustly extorted, and usurers lent money and snatched their grain and forest resources in exchange.
* All this was done with the support of the British.
* The British increase tax revenue.
*Sidhu and Kanhu led it

Vim@l

THE ATTINGAL REVOLT OF 1721: A PIONEERING UPRISING

- It is the first organised rebellion against the British in India.
- The British were constantly trying to create chaos in the Attingal region.

- The British tried to repeat the practice of giving rewards to the ruling Attingal Rani every new year. But some of the landlords resisted this.

- A British contingent of one hundred and forty led by Gifford arrived to give gifts to the Attingal Rani, despite the opinion that was sufficient to give gifts only through the landlords.

- The contingent was attacked and killed by the locals without any distinction of class, colour, caste and religion.

- Moreover, the British fort at Anchuthengu was surrounded and blockaded.

Administrative reforms implemented by the British that led to the 1857 revolt. (First Term Exam)

The Subsidiary Alliance Policy (First Term Exam)	Doctrine of Lapse (First Term Exam)
$ It was implemented by lord Wellesley for the expansion of the British Empire in India and to strengthen its sovereignty. $ Those who signed it Should keep one unit of army of the company permanently within the kingdom. $ Expenses of this troops what to be born e by the king. $ The king cannot be enter into alliances with other European countries The king must consult governor general before taking an action. $ If these conditions were violated the princely states would be annexed by the British.	$ If a ruler of a princely state died without male heirs there was a practice of finding a boy from another family as the legal heir. $ The kings power to adopt was abolished under the doctrine of lapse enacted by Lord Dalhousie. $ In the absence of the heir the Princely state would fall under the control of the English east india company.

Vim@l

How did Dissatisfaction of the Indian soldiers of the East India Company become reason for the Revolt of 1857 (First Term Exam)

Did the use of new **Enfield rifles hurt the religious** beliefs of Indian soldiers? **Explain on the** basis of the causes of the Revolt of 1857.

(First Term Model Qn Paper)

- Indian soldiers were paid less and were provided poor food and accommodation.

- The company supplied the new type of Enfield guns to the soldiers.

- Its cartridges had a greased paper cover.

- This cover had to be bitten off to use the gun.

- It was rumoured among the soldiers that this cover was smeared with a type of grease made from cow and pig fat, which was offensive to their religious beliefs.

- Mangal Pandey, a soldier at Barrackpore, was the first to protest against this.

Vim@l

Write down the results of the 1857 revolt

- Many Indians were shot dead.

- Many were cannoned to death.

- Thousands who were alive were hanged upside down from branches of trees.

- Out of the one and a half-lakh killed in the riots in Oudh alone .

- One lakh were civilians were died

Vim@l

Downloaded From: https://textbooksall.blogspot.com/

·Elucidate the role of Western eduction in fostering nationalism (First Term Exam)

The British introduced modern English education in India in the 19th century to assert their cultural superiority and create a compliant class.

#Educated Indians gained exposure to Western ideals like democracy,freedom,egalitarianism,civil rights etc .

This newfound awareness led them to question British rule and sparked discussions about ending it.

English also facilitated communication among diverse regional groups.

Vim@l

#Western education helped Indians understand their nation's economic and social shortcomings.

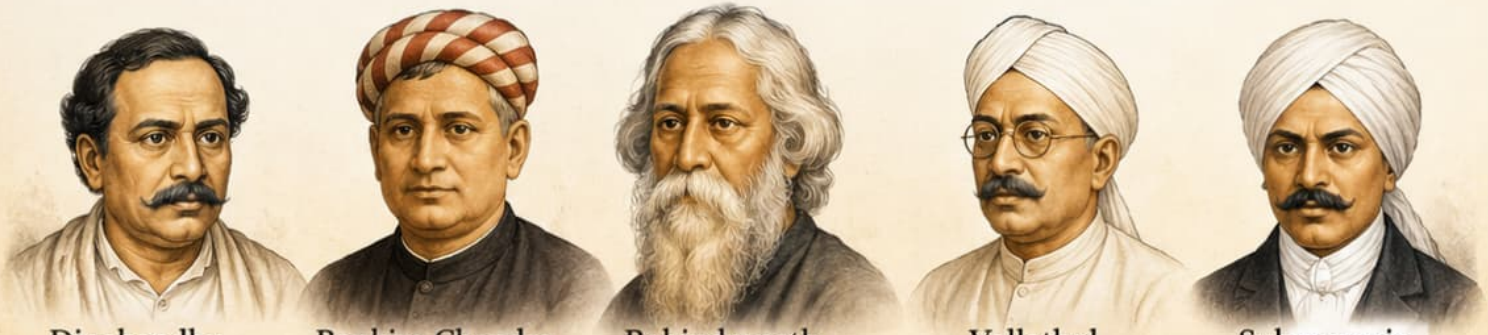

Literature played the crucial role in fostering nationalism & patriotism.Substantiate the statement

$ Literature and newspapers significantly fueled Indian nationalism by reflecting the suflecting, neglect, and exploitation under British rule.

$ Prominent writers like Dinabandhu Mitra, Bankim Chandra Chatterjee, Rabindranath Tagore, Vallathol Narayana Menon, and Subramania Bharati used their works to highlight these issues and instill patriotic sentiments.

Vim@l

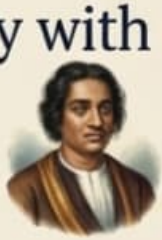

Dinabandhu Mitra | Bankim Chandra Chatterjee | Rabindranath Tagore | Vallathol Narayana Menon | Subramania Bharati

ANALYSE THE DECISIVE ROLE PLAYED BY THE NEWSPAPERS IN THE DEVELOPMENT OF MODERN IDEAS AND NATIONALISM

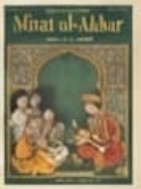

Newspapers, in both English and regional languages, became vital platforms for spreading nationalism.

Pioneered by Raja Ram Mohan Roy with Sambad Kaumudi (Bengali) and Mirat ul-Akbar (Persian)

These publications enabled criticism of British policies and fostered a critical awareness against exploitation.

Thereby playing a crucial role in developing modern ideas and nationalistic sentiment.

Downloaded From: https://textbooksall.blogspot.com/

Vim@l

> Prepare a short note on the role of Raja Ram Mohan Roy in social reforms in India (First Term Exam)

>He initiated social reforms in India.

> He had profound knowledge in Hinduism Islam Christian and Judaism.

> He was influenced by French revolution.

> He played a crucial role in abolishing sati through Brahma Samaj.started many modern Schools.

> Stood against Idolatry polytheism, polygamy,child marriage etc

Influence of the Swadeshi Movement in the Indian Freedom Struggle

$ The common people, women, and students of India became participants in a political movement for the first time.

$ This movement influenced the fields of culture, education, and economy.

$ This moment was able to spread the Indian freedom movement at the national level and contribute the Swadeshi as a new way of freedom struggle.

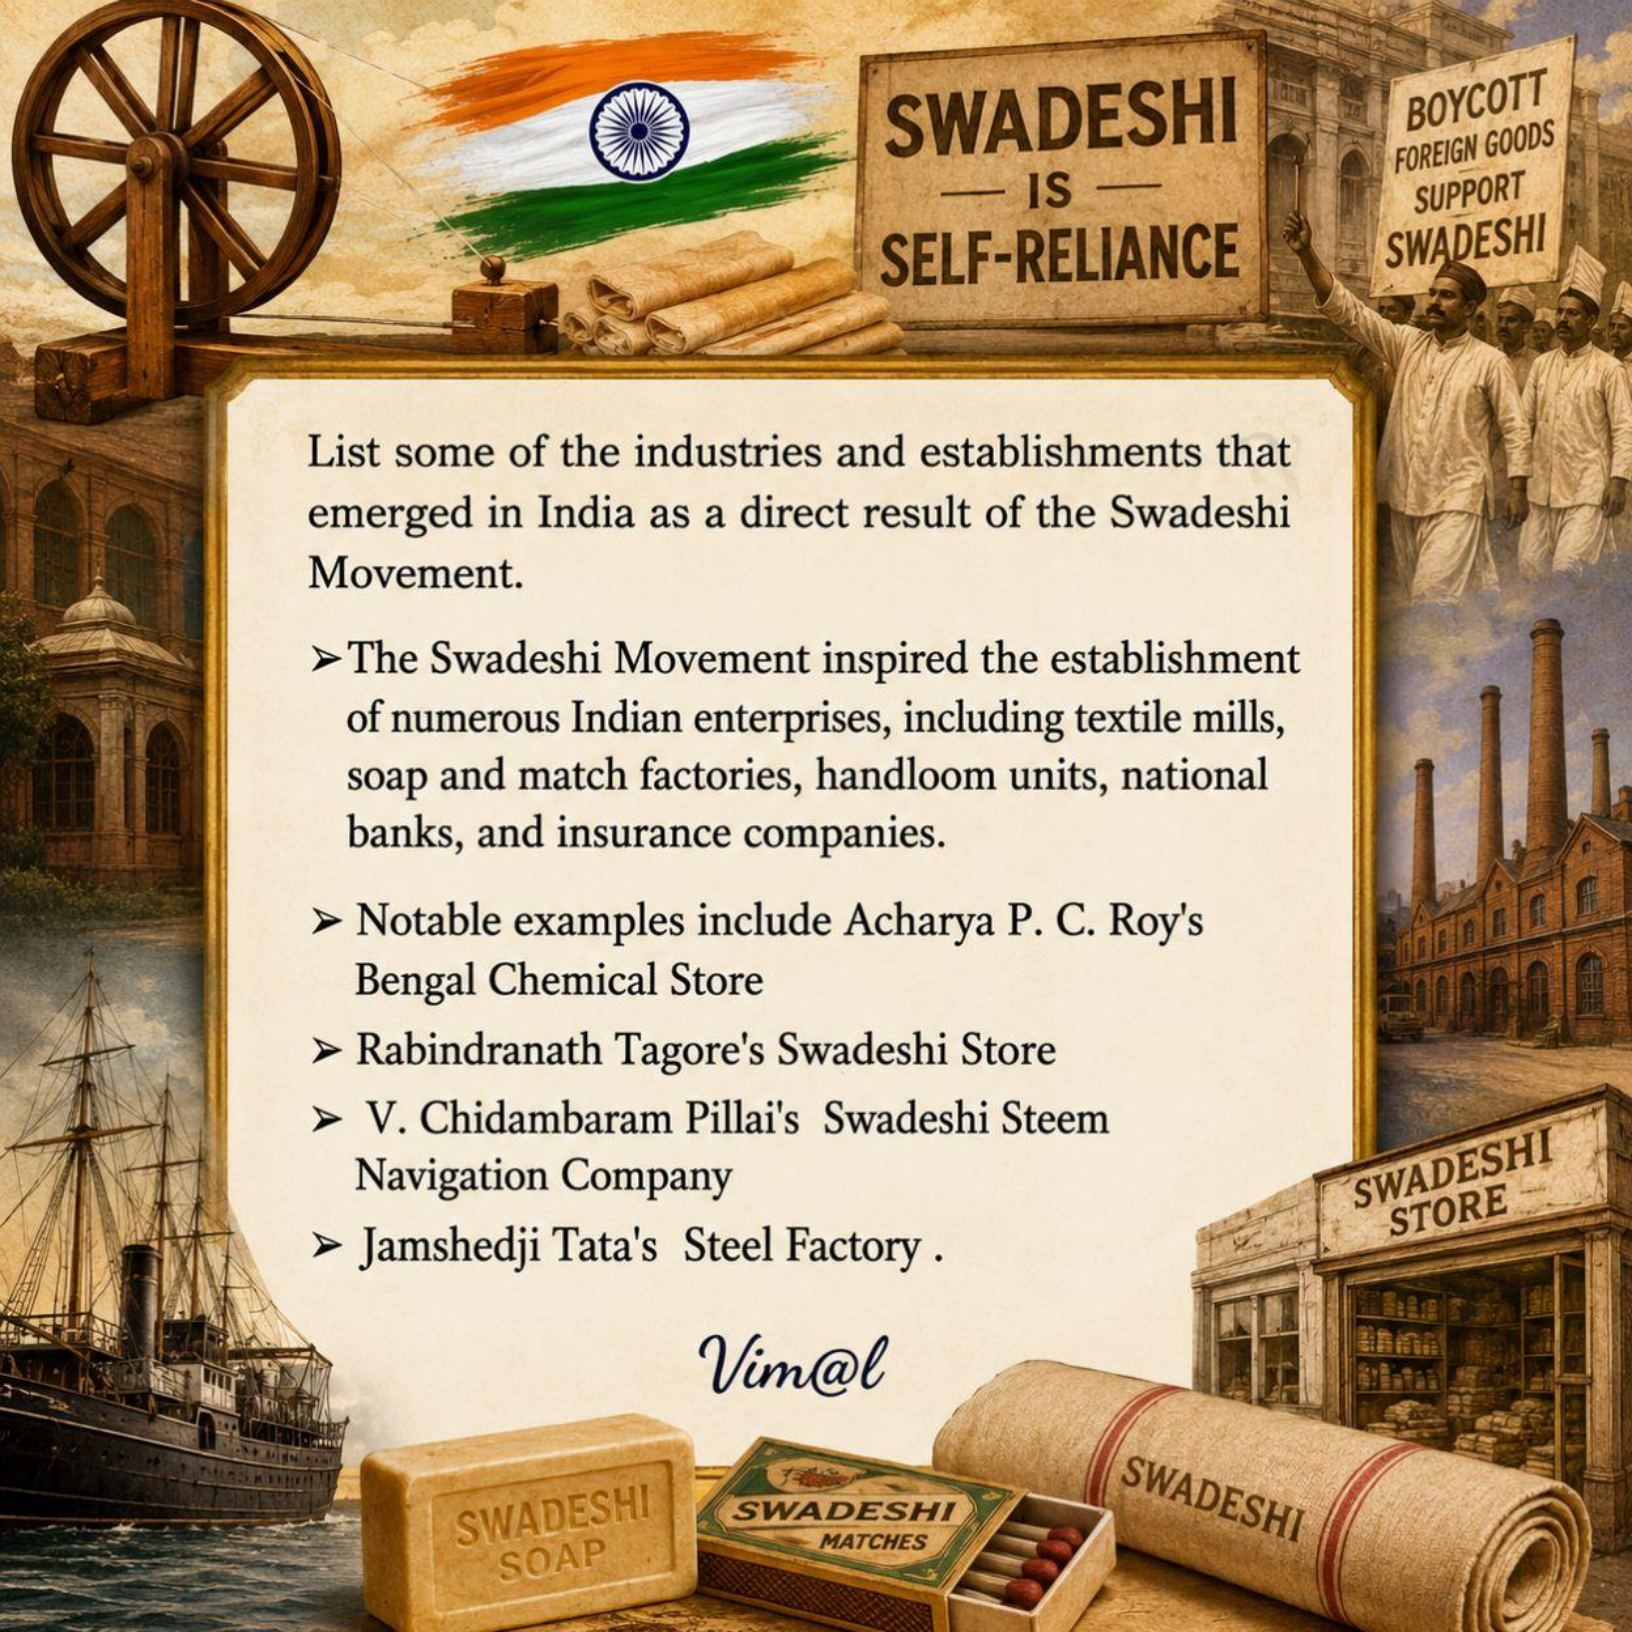

$ It brought the national struggle closer to the common people.

Downloaded From: https://textbooksall.blogspot.com/

Vim@l

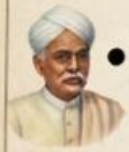

List some of the industries and establishments that emerged in India as a direct result of the Swadeshi Movement.

- The Swadeshi Movement inspired the establishment of numerous Indian enterprises, including textile mills, soap and match factories, handloom units, national banks, and insurance companies.
- Notable examples include Acharya P. C. Roy's Bengal Chemical Store
- Rabindranath Tagore's Swadeshi Store
- V. Chidambaram Pillai's Swadeshi Steem Navigation Company
- Jamshedji Tata's Steel Factory .

Vim@l

Comparing Moderate & Extremist Leaders of the Indian National Congress

MODERATES

- 'The Indian National Congress saw a divergence in its approach challenging British rule.

- The "Moderates," including Pherozeshah Mehta, Gopalakrishna Gokhale, and Dadabhai Naoroji, favored peaceful methods like meetings, speeches, and resolutions.

EXTREMISTS

- In contrast, the "Extremists," led by Bal Gangadhara Tilak, Bipin Chandra Pal, and Lala Lajpat Rai, grew dissatisfied with this cautious stance.

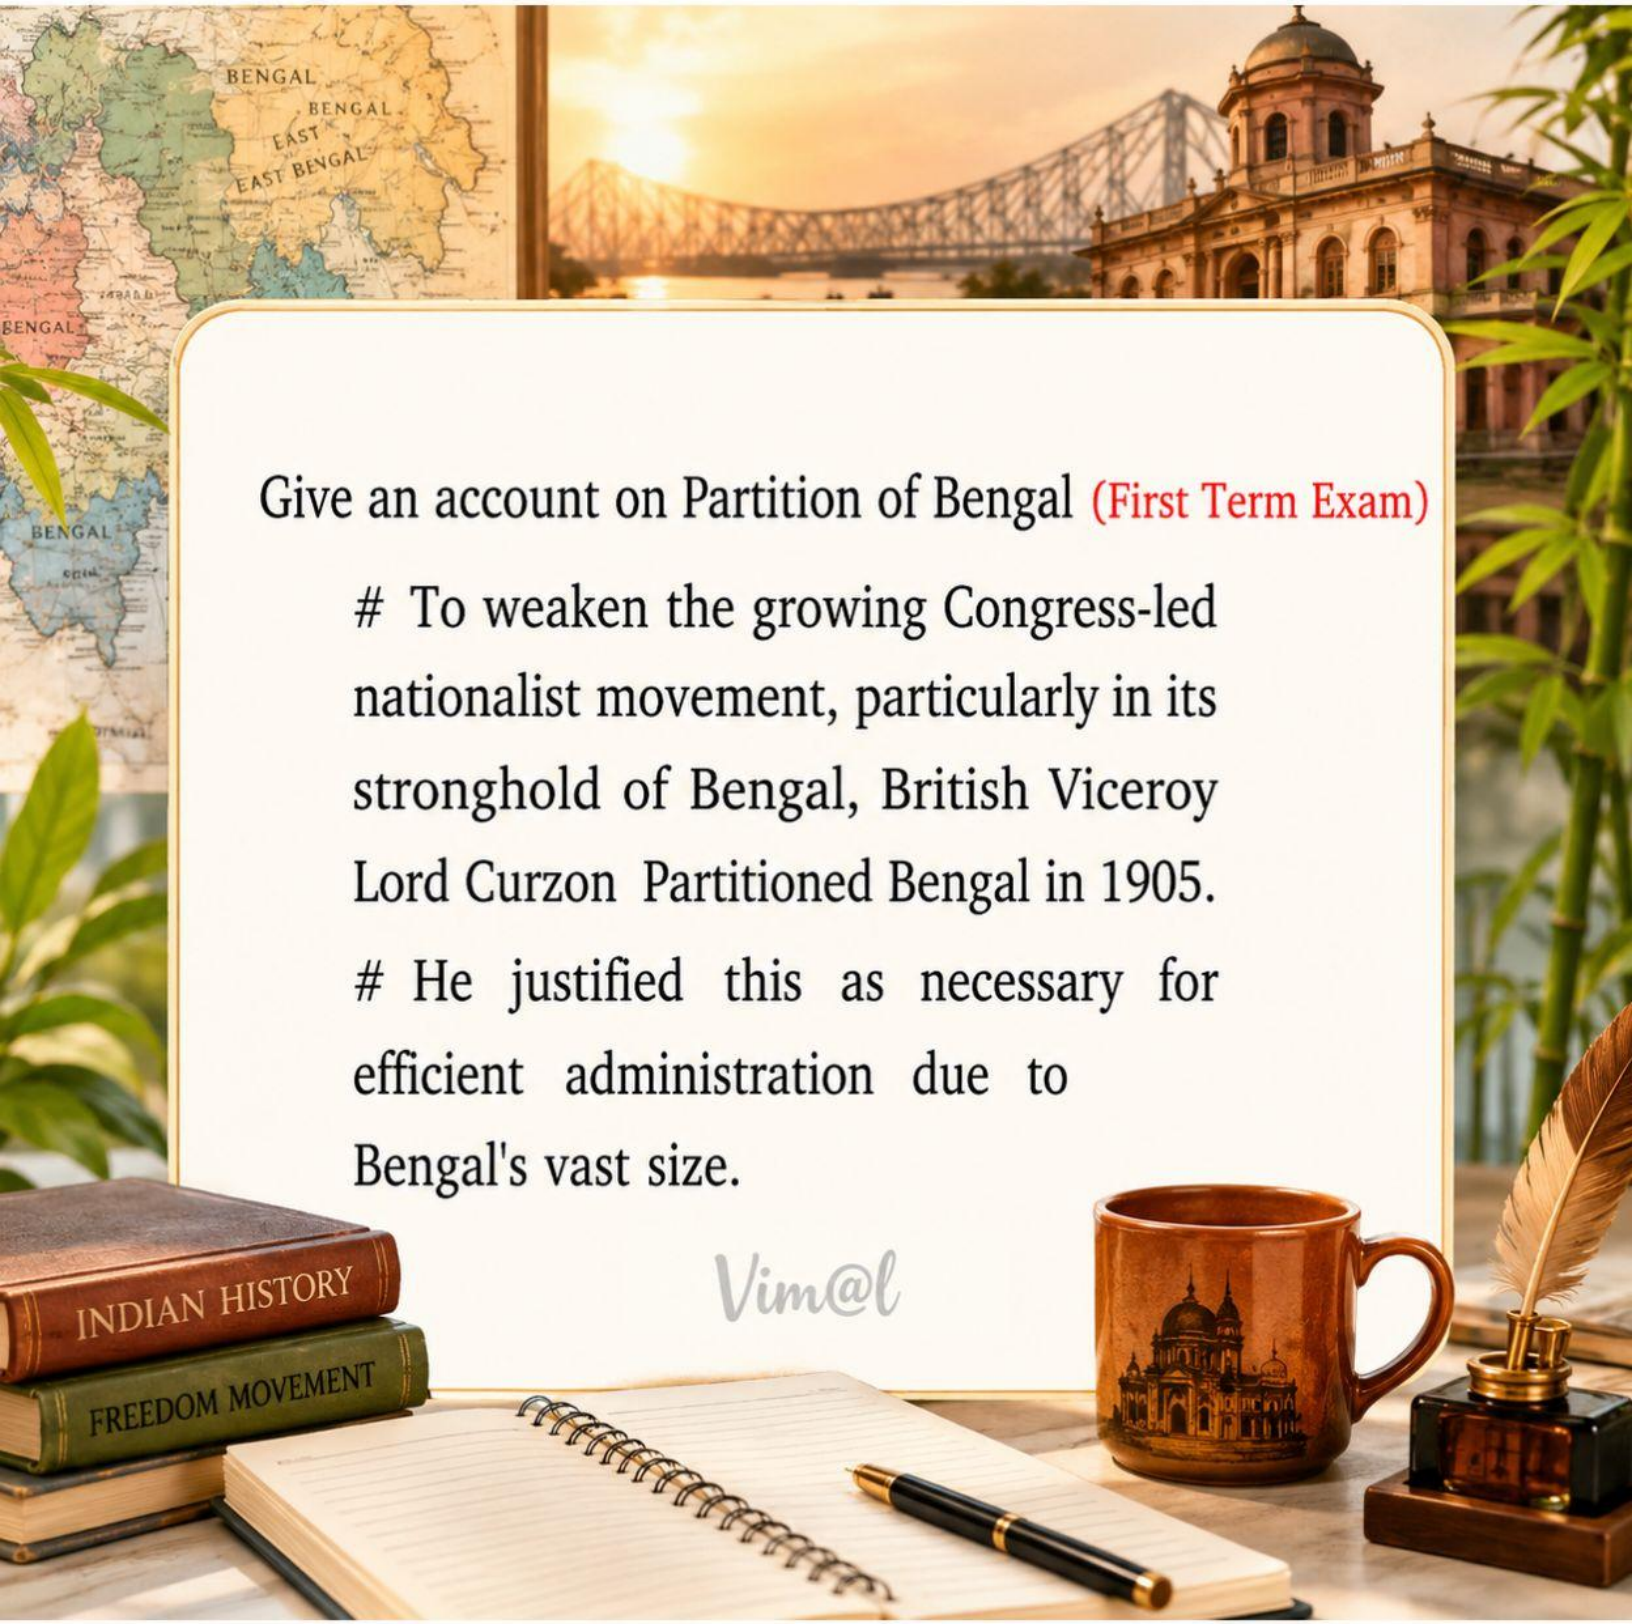

- They advocated for revolutionary actions like Swadeshi and boycott, believing that freedom required strong, open struggle.

Circle of Illumination

Vim@l

3.Define Circle of Illumination

@ The Earth receives light from the Sun.

@ During rotation, the part of the Earth facing the Sun has daytime and the other part experiences night.

@ The imaginary line that demarcates day and night on the Earth is called the Circle of Illumination.

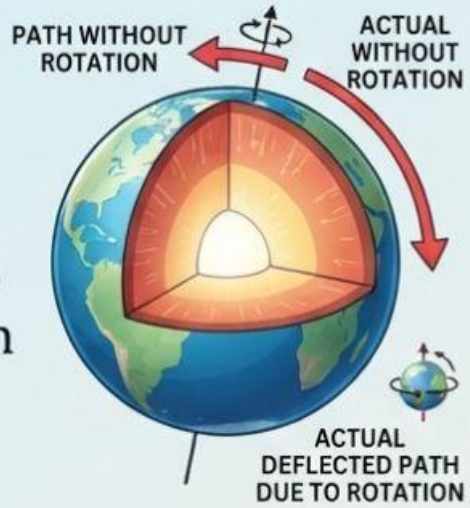

@ It is not parallel to the Earth's axis.

Downloaded From: https://textbooksall.blogspot.com/

Elucidate Coriolis Effect and Ferrel's law

1. Coriolis Effect

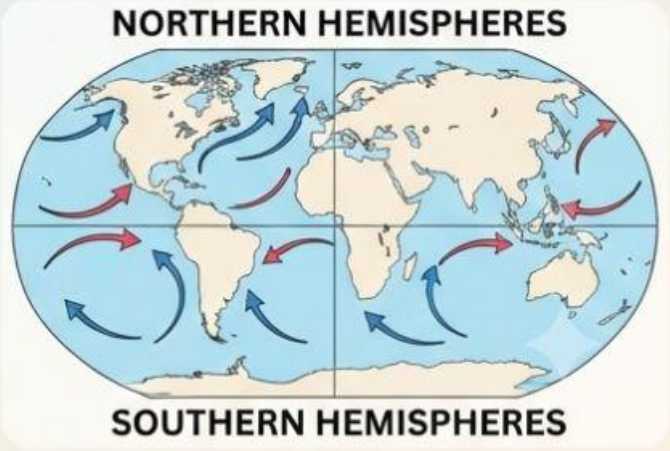

- Due to rotation, freely moving bodies on the Earth's surface get deflected in their direction.
- The force responsible for this deflection is known as Coriolis Force and the deflection in direction is called Coriolis Effect.

2. Ferrel's Law

- Admiral Ferrel discovered that due to the Coriolis Effect, ocean currents and winds change their direction in the northern hemisphere to the right and in the southern hemisphere to the left.
- This is known as Ferrel's law.

ADMIRAL FERREL

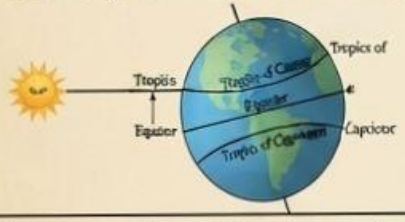

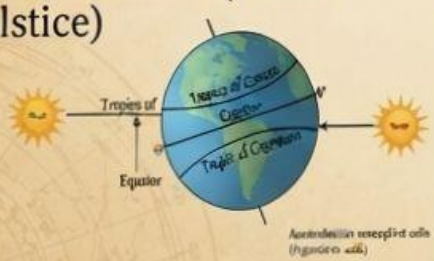

Vim@l

Elucidate Apparent Movement of the Sun

❋ Since the tilt of the earth's axis is maintained at an angle of 23½ degres throughout the revolution.

❋ The Sun's apparent position moves northward and southward between the Tropic of Cancer and the Tropic of Capricorn.

❋ This apparent shift in the Sun's position is called the apparent movement of the Sun. For this reason, the duration of day and night also changes.

Day	Position of Sun	Peculiarity of the Day
21st March (Spring Equinox)	The sun's rays fall vertically on the equator	Equinoxes - The duration of day and night will be equal on both hemispheres on these days
21st June (Summer Solstice) 	The Sun's apparent position shifts towards north from the Equator to the Tropic of Cancer from 21st March to 21st June. (First Term Exam)	On 21st June, the northern hemisphere experiences the longest day and the shortest night
23rd September (Autumnal Equinox)	The sun's rays fall vertically on the equator	Equinoxes - The duration of day and night will be equal on both hemispheres on these days
22nd December (Winter Solstice) 	Sun's apparent position shifts from the equator to the Tropic of Capricorn during the period from 23rd September to 22nd December. (First Term Exam) (Second Term Exam)	On 22nd December, the southern hemisphere experiences the longest day and the shortest night

Vim@l

Perihelion and Aphelion

Vim@l

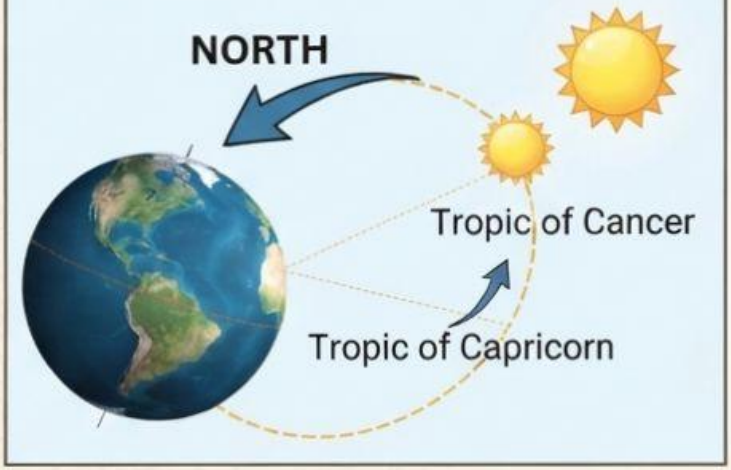

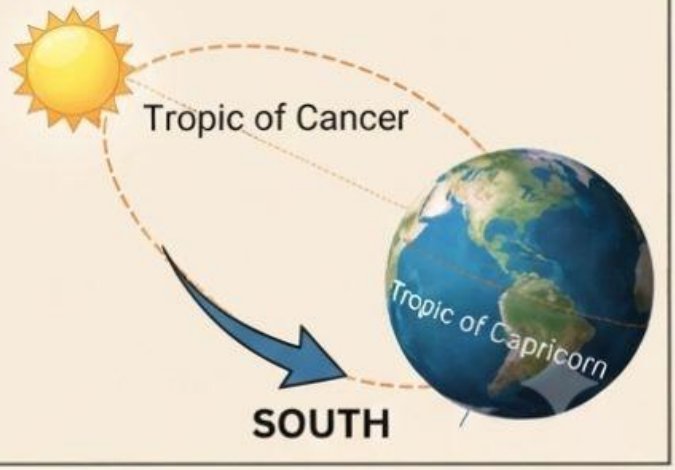

7.What is Perihelion and Aphelion ?

* The Earth's elliptical orbit causes varying distances from the Sun.

* It is closest at 147 million km during Perihelion around January 3, and farthest at 152 million km during Aphelion around July 4.

Downloaded From: https://textbooksall.blogspot.com/

Compare Uttarayanam and Dakshinayanum

Uttarayanam	Dakshinayanum
# Following the winter solstice (December 22) the apparent movement of the from Tropic of Capricorn (231/2 ^{0} South) to Tropic of Cancer (231/2 degrees North) is known as the apparent movement of the Sun towards North.	# The shift in the apparent position of the Sun after the Summer Solstice (June 21) from the Tropic of Cancer (231/2 ^{0} North) to Tropic of Capricorn (231/2 degrees South) is known as the apparent movement of the towards South.

Vim@l

Tabulate different seasons and their characteristics
(First Term Exam)

Seasons	Characteristics
Spring	• Plants bloom and produce fruits. • During this period duration of daytime gradually increases
Summer	• High atmospheric temperature. Generally longer days
Autumn	• Trees shed their leaves before the arrival of winter. • During this period duration of daytime gradually decreases
Winter	• Low atmospheric temperature. Snowfall generally longer nights

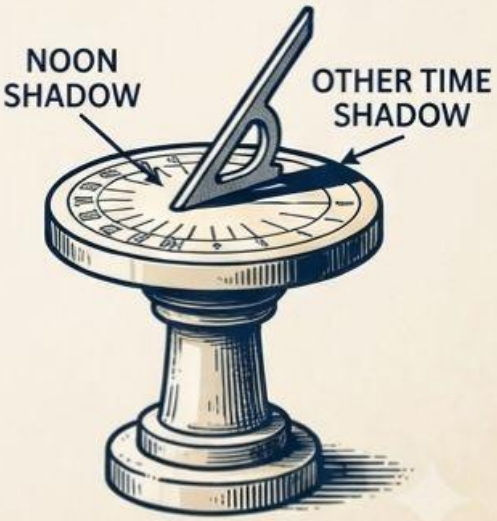

Vim@l

What is Local Time?

- When the sun is vertically overhead, it is noon.
- The time estimated at each place, based on the overhead position of the sun is termed as the local time.
- Thus the time calculated based on the length of the shadow and position of the Sun is termed as the Local time.

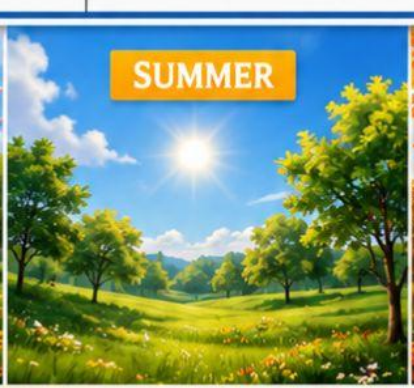

Vim@l

Downloaded From: https://textbooksall.blogspot.com/

Tabulate the Cyclic Nature of Seasons

Apparent movement of the Sun	Duration	Northern Hemisphere	*Southern Hemisphere*
From the Equator to the Tropic of Cancer	March 21 to June 21	Spring	*Autumn*
From the Tropic of Cancer to the Equator	June 21 to September 23	Summer	Winter
From the Equator to the Tropic of Capricorn	September 23 to December 22	Autumn	Spring
From the Tropic of Capricorn to the Equator	December 22 to March 21	Winter	Summer

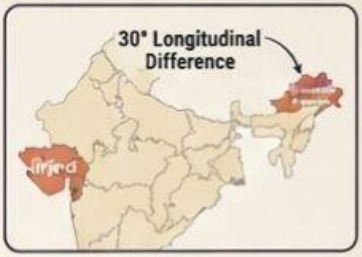

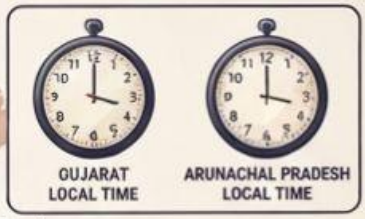

Vim@l

15.Write a short note on Indian Standard Time

🇮🇳 There is around 30-degree longitudinal difference between India's easternmost state of Arunachal Pradesh and the westernmost state of Gujarat.

🇮🇳 So there is almost two hours of difference in the local time of these places.

🇮🇳 To avoid the practical difficulty caused by this, a standard time has been fixed for the country.

IST - INDIAN STANDARD TIME

🇮🇳 The 82 1/2° longitude is considered as standard meridian of India.

🇮🇳 This is known as the Indian Standard Time (IST).

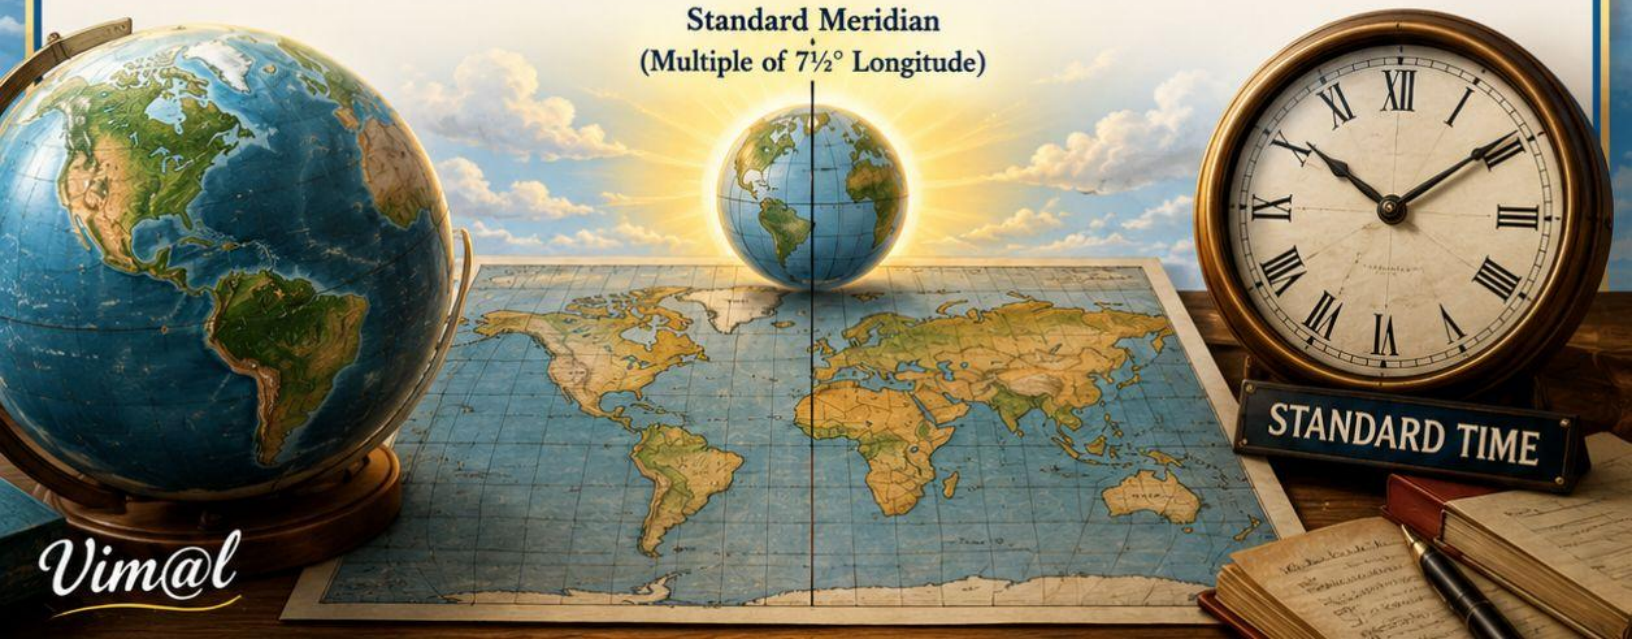

Vim@l

14. What is standard time? What is the need to calculate standard time

14. What is standard time? What is the need to calculate standard time in a country? (Second Term Exam)

- The local time would be different at each longitude.
- It would create a lot of confusion.
- To overcome this crisis, based on an international understanding, countries have selected a longitude, which is a multiple of 7½° longitude as Standard Meridian.
- The local time at this Standard Meridian is considered as the standard time of the country.

Vim@l

16.Elucidate Greenwich Mean Time

- International time calculation, the longitude that passes through the Royal British Observatory in taken as zero degree meridian.

- This is called Prime Meridian.

- The local time at Prime Meridian is called the Greenwich Mean Time. Travellers worldwide calculate time based on Greenwich Time

GREENWICH MEAN TIME (GMT)

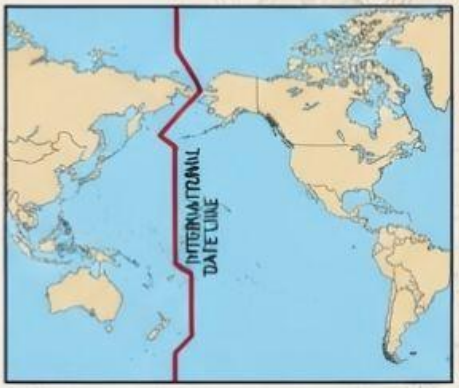

GLOBAL TIME CALCULATION

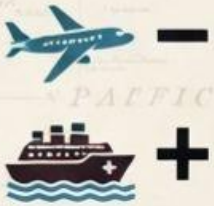

Vim@l

International Date Line (180° Longitude)

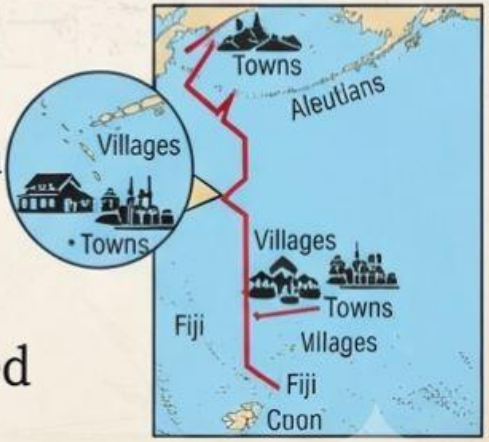

- 180° longitude is considered as the International Date Line.

- The person travelling towards the east loses a day while crossing this longitude and a person travelling towards the west gains a day.
- Travellers who move westwards crossing the line add a day and the travellers who move towards the east calculate time by deducting a day.

- To avoid the situation of two different dates in countries through which the International Date Line passes, certain adjustments are made in this line.

- This line is arranged to avoid populated land areas in the Pacific Ocean.

Vim@l

Several factors influenced the constitution-makers to include Fundamental Rights in the Indian Constitution. What are they? (First Term Model Qn Paper)

- There are several factors that influenced the framers of the Constitution to include Fundamental Rights in the Constitution of India.

- The main factor is the denial of rights that the Indian people had to suffer during the British rule.

- The values upheld by the freedom struggle and the ideas of the Indian Renaissance Movement are other factors that influenced the fundamental rights in the Constitution.

- The rights mentioned in the constitutions of other countries and the Bills of Rights which are the precuriasors of fundamental rights have influenced the fundamental rights in our Constitution.
